Please write plainly, with ink or indelible pencil. Physicians: please write the causes of death clearly and legibly. Any false statement, concealment, or omission of facts called for above is punishable by law. Information required in this certificate is necessary for the legal, scientific, and accurate registration of death, and the certificate should be filled out completely and correctly. Omission to answer any question as fully as known will necessitate returning certificate for correction, thereby delaying burial. Physicians are required by law to report to the Registrar of Vital Statistics the cause of death of every person certified by them, and the certificate must be filed with the Registrar before a burial permit will be issued. The personal and statistical particulars should be obtained from the most reliable person available. In every case the exact medical terms should be used, and the correct age is especially important. Physicians: please write the causes of death clearly and legibly.
